OFFICE OF PETITIONS

In re Application of :
Harold Rosenstock, Richard Dykiel, :
Richard Lagueux and Nehru Bhandaru : DECISION ACCORDING STATUS
Application No. 10/676,948 : UNDER 37 CFR 1.47(a)
Filed: September 30, 2003 :
Attorney Docket No. IS01406MCG :
Title: METHOD OF MIGRATING ACTIVE :
GENERAL SERVICE MANAGER FUNCTION :

This is a decision on the "PETITION UNDER 37 C.F.R. § 1.47(a)," filed May 3, 2004.

The petition is **GRANTED**.

The above-identified application was filed on September 30, 2003, with an unexecuted declaration. Accordingly, on March 19, 2004, a "Notice to File Missing Parts of Nonprovisional Application" was mailed, requiring an executed oath or declaration and a surcharge for its late filing.

In response, rule 47 applicants timely filed the instant petition (and fee); the late surcharge; and a declaration executed by joint inventors Rosenstock and Bhandaru on behalf of themselves and on behalf of non-signing joint inventors Dykiel and Lagueux. Rule 47 applicants maintain that status under 37 CFR 1.47 is proper because joint inventors Dykiel and Lagueux refuse to join in the application for patent.

By declaration of patent attorney Kevin Wills and Senior Administrative Assistant V. Lynn Webb, applicants have shown that the application papers were presented to the non-signing inventors, but they refused to join in the application. The petition includes copies of the postal records showing that the inventors refused delivery of the application papers. The petition also includes copies of email communications from each non-signing inventor stating that they would not join in the application. The petition includes a statement of the last known address of each of the non-signing inventors.

The declaration filed May 3, 2004, and the petition have been reviewed and found in compliance with 37 CFR 1.47(a).

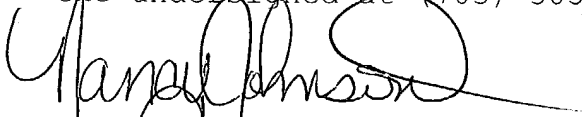

This application is hereby accorded Rule 1.47(a) status.

As provided in new Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the

address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

The application will be examined in Technology Center 2183 in due course.

Telephone inquiries regarding this decision should be directed to the undersigned at (703) 305-0309.
